

The ADVANTEST Way

The ADVANTEST Way and the Code of Conduct provide a set of rules and standards of behavior that all executives and employees must observe when carrying out the Group's global corporate activities. At Advantest, we take a global perspective when implementing our company management and our social and environmental activities so that we may use our cutting-edge measurement and testing technologies to fulfill the expectations that our customers and all of our stakeholders throughout the world hold for us.

Corporate Mission

Technology Support on the Leading Edge

We will continuously improve ourselves so that we can offer technology, products and services that will satisfy our customers worldwide, and contribute to development of society through development of the most advanced technology.

Corporate Mantra

Quest for the Essence

We will invariably pursue the sources of phenomena and seek their essence, so that we can find correct solutions.

Corporate Social Responsibility (CSR) Policy

In line with our Corporate Mission and Corporate Mantra, we at Advantest aim to achieve a sustainable level of business development while enhancing our corporate value. ADVANTEST respects each of its stakeholders and strives to maintain harmony with society in all its operations while contributing to the goal of a sustainable society.

- We work in harmony with society to preserve the environment and reduce our footprint.
- We strive to consistently deliver high-quality products and services to our customers.
- We appropriately return profits to our shareholders and disclose information appropriately to our investors.
- We are committed to cooperation with our suppliers in the interests of mutual prosperity.
- We treat our employees fairly, and constantly endeavor to improve their working environment.
