Advantest's View & Policy on the Reduction of Investment Units

1. Advantest's View Regarding Reduction of Investment Units

Advantest (the Company) recognizes that the reduction of investment units is one possible measure that may encourage a wider range of investors to participate in the market and increase the liquidity of its stock.

2. Advantest's Policy Regarding Reduction of Investment Units

The Company enacted a 4-for-1 share split of its common share with an effective date of October 1, 2023, based on above view. The Company will continue to carefully evaluate the feasibility of reduction, taking into consideration stock market trends, the level of the Company's share price, the liquidity of the Company's shares and shareholder composition, among other factors.
